

Unity Reform Commission Resolution

April 5, 2018

The Cambridge Democratic City Committee calls on our Massachusetts DNC delegates to support the URC recommendations and the promulgation of rules and regulations to realize its most important mandates:

- Institute a sixty percent reduction in un-pledged delegates—from 715 to 300;
- Reform caucuses to include same-day registration, same-day party switching, and voting by mail;
- Push for state law reform for same-day registration, party switching and voting by mail in primary states; and,
- Implement financial transparency and eliminate conflicts of interests.
